15th ANNUAL MEETING OF FNYSCB

The 15th Annual Meeting of the Federation of New York State Bird Clubs, Inc., will convene in Albany, May 11-13, 1962. The headquarters for the annual meeting will be the Inn Town Motor Hotel, Albany. According to tradition, committees will meet on Friday evening, May 11; the official meeting of delegates will take place on Saturday morning, May 12; the papers session will be on Saturday afternoon and the annual banquet on Saturday evening.

For those in attendance who are not delegates, there will be field trips on Saturday morning, and the general field trips will be the main order of the day on Sunday. Since the meeting is sponsored jointly by the Alan Devoe Bird Club, the Greene County Bird Club and the Schenectady Bird Club, some outstanding field trips are promised.

It's not too early to start making plans to attend the meeting; to present a paper; to hear the outstanding speaker at the banquet; and to join the field trips which, weather permitting, are always the high points of any bird club meeting. Further details will be published in the next issue of *The Kingbird*, and members will receive mailings about reservations etc. as the committees advance in their work.

Let's see YOU in '62 — at Albany on May 11, 12, and 13.

Allen H. Benton, General Chairman
State University College of Education
Albany 3, N. Y.

CALL FOR PAPERS

Those wishing to present papers at the Saturday afternoon program, please communicate with:—

E. M. Reilly, Jr., N. Y. State Museum, Albany 1, N. Y.
