The Kingbird is a publication of The Federation of New York State Bird Clubs, Inc., which has been organized to further the study of bird life and to disseminate knowledge thereof, to educate the public in the need of conserving natural resources and to encourage the establishment and maintenance of sanctuaries and protected areas. Individual member's dues are **\$3.00** annually and all individual members receive the Kingbird. A member wishing to make an additional contribution may become a Sustaining Member (\$5) a Supporting Member (\$10) or a Life Member (\$100—"payable over a four-year period in equal installments until the full amount is paid", if member so desires.) For all classes of membership contact the treasurer, Kenneth B. Niven, 61 Broadway, Monticello.

**NEW BALSCOPE ZOOM 60** Telescope gives you instant power dialing to **any** power from 15x to 60x! First scan the landscape at a wide 15-power field of view. Spot your target. Then zoom in as close as you wish . . . 20x, 30x, 40x, 60x or anywhere in between. A roll of a finger across the control knob increases or decreases power **instantly**. Focus just once with the same easy one-finger dialing. Focus stays constant at all powers! You're sure of getting finest spotting performance because this variable power telescope is the result of over 100 years' skill and experience in the manufacture of fine optical products by Bausch & Lomb.

Balscope Zoom 60 is sealed against rain, moisture and dust for brilliant clarity always. Sage green finish is made to take hard use without chipping or scratching. Mounts directly on any standard camera tripod without special adaption. Screw-on caps protect objective and eyepiece lenses. Two models available: with straight eyepiece, \$149.50; with 45° inclined eyepiece, \$159.50. Write for free literature on Balscope Zoom 60. Bausch & Lomb Incorporated, Rochester 2, New York.
