

A BIBLIOGRAPHY OF NEW YORK STATE ORNITHOLOGY FOR 1978

Assembled by the Bibliography Committee of the Federation of New York State Bird Clubs

JOHN BELKNAP, STEPHEN W. EATON, KENNETH C. PARKES,
and ALLEN H. BENTON (Chairman)

In 1979, Dr. Sally Spofford resigned the chairmanship of the Bibliography Committee, after many years of service. The present committee wishes to express their appreciation for her help with this year's bibliography. Reginald Hartwell also contributed some references to this list.

This is a 1977 item which missed last year's list, but which is sufficiently important that we feel it should be noted:
