

INSTRUCTIONS FOR AUTHORS

The Kingbird publishes papers on all aspects of the ornithology of New York State. Manuscripts must be typed single-sided, with at least one inch margins on all sides. Follow similar articles in recent issues as guides to style or consult: Huth EJ, Council of Biology Editors. *Scientific Style and Format. The CBE Manual for Authors, Editors, and Publishers*. 6th Ed. NY: Cambridge University Press; 1994. 825 pages. Names of bird species follow the most recent A.O.U. Check-list and its Supplements. Articles should be as short as feasible. Discussion with the Editor prior to submission may be beneficial.

Place each table on a separate page. Figures should be drawn in black ink. Photographs should be submitted as black-and-white glossy prints, although 35 mm slides can be converted. Place all captions on a separate page.

Submission of manuscripts on computer diskettes is preferred and encouraged, but only on HD (high density) disks, no DD (double density). Please identify the word processing software and its version. A paper printout, double-spaced, must accompany each disk. Manuscripts not on disks should be single-spaced, so as to minimize electronic scanning costs. Manuscripts may be submitted to the Editor or to the Chair of the Publications Committee. Please include your phone number.
